

Ina Stojic

PROFILE

Yoga instructor and sound therapist, currently based in Ogulin, Croatia, where I'm running a boutique holistic studio 'INANATURE'. Experiencing many benefits of yoga through my personal practice, the life changing one was leaving corporate job in order to follow my heart call. Now, I'm having a beautiful opportunity to share this holistic journey with others, while inspiring them to live more mindfully and authentically. A bit more about my holistic journey, you can read here: <https://budidobro.com/ina-stojic-intervju/>
